

JOB SEARCHES & INTERVIEWS

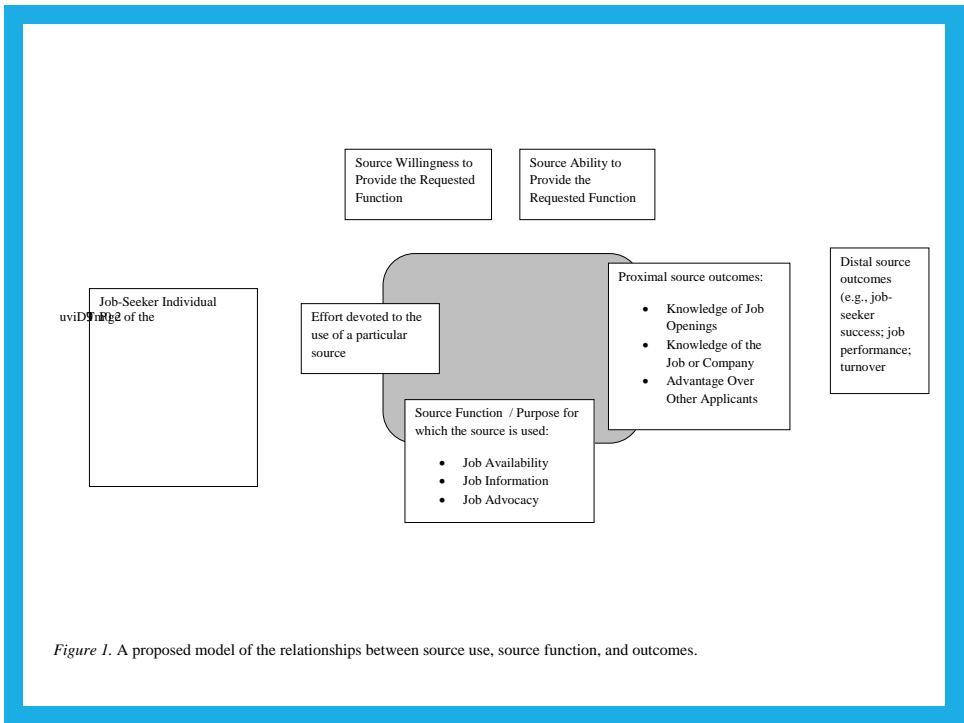

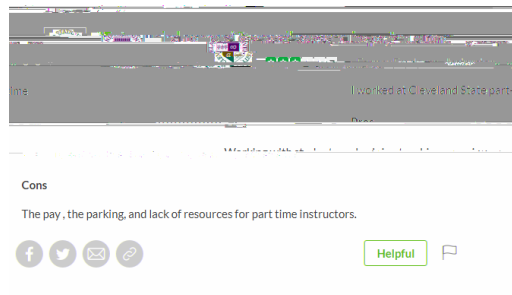

Figure 1. A proposed model of the relationships between source use, source function, and outcomes.

About 47,600,000 results (0.67 seconds)

The screenshot shows a search result snippet. At the top, there is a header with a logo and navigation links. Below that, a snippet of text is visible, including the word "Cons". The main text of the snippet reads: "The pay, the parking, and lack of resources for part time instructors." Below the text, there are social media sharing icons for Facebook, Twitter, Email, and Print. To the right of these icons is a green button labeled "Helpful" and a flag icon.
